

# Certificate of Registration

## ENVIRONMENTAL MANAGEMENT SYSTEM - ISO 14001:2015

This is to certify that:

ATM B.V.  
Vlasweg 12  
4782 PW Moerdijk  
The Netherlands

Holds Certificate No:

**EMS 497232**

and operates an Environmental Management System which complies with the requirements of ISO 14001:2015 for the following scope:

Cleaning and/or degassing of holds and tanks of ships and trucks. The acceptance and processing of (heavily) contaminated wastewater in a sludge reception and processing installation (SOVI) and the recovery of substitute fuels. Accepting and processing (hazardous) packaged waste with a pyrolysis installation to convert it as much as possible into substitute fuels. Accepting and processing contaminated soil and mineral residues, using a thermal soil remediation installation (TRI), to convert them into reusable raw materials and building materials. Accepting, storage, collection, treatment and processing of liquid (hazardous) waste materials in particular, including through the physical-chemical and/or biological purification of sludge and wastewater. As well as the disposal of the waste and water streams released in the process. Activities are related to the IAF sector 24.

For and on behalf of BSI:

  
David Fardel, Country Manager, EMEA Assurance
